← Back **Societal Implications of Contact with ET**
Graded Assignment • 30 min

Due Mar 23, 11:59 PM CET

1. Which prize was offered in 1900 for the first person to make contact with an extraterrestrial intelligence? 1 point

- ○ The Pasteur Prize
- ○ The Lavoisier Prize
- ○ The Alien Prize
- ◉ The Guzman Prize

2. Which international body in 1977 discussed the protocol for communicating with extraterrestrial intelligence? 1 point

- ○ The World Wildlife Fund
- ◉ The United Nations
- ○ The International Monetary Fund
- ○ The World Bank

3. Which of the following questions was posed by the UN in 1977? 1 point

- [x] Should a register of messages sent to aliens be kept?
- [x] Should messages to extraterrestrial intelligence be composed by international organisations such as the UN?
- [x] Would art or science better represent humanity?

4. The following message was once transmitted into space from the General Secretary of the UN: 1 point

'We step out of our Solar System into the universe seeking only peace and friendship; to teach if we are called upon, to be taught if we are fortunate.'.

How was this done?

- ○ In a radio message from the Arecibo Dish Observatory
- ○ By light signals
- ◉ On copper records on the Voyager spacecraft
- ○ On the Pioneer spacecraft

5. In addition to the UN message, the Voyager records sent on the Voyager spacecraft contained what? 1 point

- ◉ Images and music representative of different cultures on Earth
- ○ A set of recordings of famous 1970s pop stars
- ○ A wide range of TV adverts
- ○ The latest Barry Manilow album

6. When the first alien message from the UN was sent into space on the Voyager spacecraft, how many nation states did the UN represent according to the message sent? 1 point

- ○ 47
- ◉ 147
- ○ 208
- ○ 123

7. The Fermi Paradox, raised by physicist Enrico Fermi posed the general question: 1 point

- ◉ If there is a good statistical chance they are out there when why don't we see them?
- ○ Why do we send so few messages to them?
- ○ If they are out there why haven't they attacked us?
- ○ Why don't they share technology with us?

8. Possible answers to the Fermi Paradox are: 1 point

- [x] We are a zoo and they are watching us
- [x] We are being denied entry to the 'galactic club' because we have much to learn
- [x] They can't get here (it's too far)
- [x] They watch our wars and we terrify them

9. Which religion specifically discussed in this course allows for the possibility of alien life? 1 point

- ○ Christianity
- ○ Hinduism
- ○ Buddhism
- ◉ Islam

10. Which of these contacts with alien life would be most likely to cause concern about how to tell the public among international bodies? 1 point

- ○ The discovery of microbes on Mars
- ○ The discovery of an ancient signal transmitted thousands of years ago from a distant star
- ◉ The detection of a signal from an alien spacecraft of unuknown characteristics in our Solar System
